

Annual Giving Campaign

As Technoda establishes itself as a leader in sci-tech education, commitment to excellence within the community of Givat Olga remains a top priority. By investing in disadvantaged and immigrant children, we invest in the future of the Israeli economy by giving these young people the knowledge and tools to climb out of the cycle of poverty and dependence and to become contributing members of society.

With your help, we can make a real difference!

Enclosed is my U.S. tax deductible gift made payable to American Friends of Technoda, Inc.

Name _____

Address _____

Phone _____ E-mail _____
